

Exportera Favoriter i Mozilla Firefox

Öppna Mozilla Firefox > Klicka på ikonen till höger om stjärnan (Edit this bookmark) > **Show All Bookmarks**

Klicka på **Import and Backup** > **Export Bookmarks to HTML...**

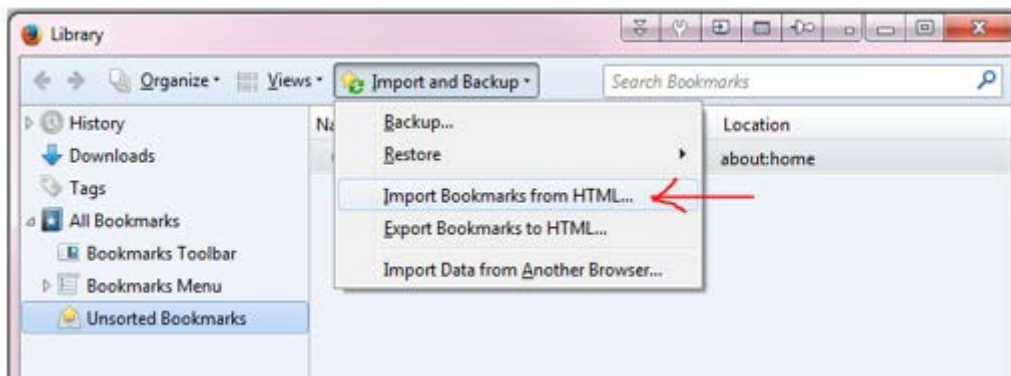

Spara filen i din hemkatalog (G:).

Klart!

Importer Favoriter

Gå till *Import and Backup* igen > *Import Bookmarks from HTML...*

Markera filen som du sparade tidigare > Open

Klart!
