Dear Student,

As the Acting Dean of JIBS, I am delighted to extend a warm welcome to each of you as you embark on this exciting journey of learning and personal growth. We are committed to the success of our students to become skilled academics and influential leaders.

At JIBS, we take pride in our distinct focus, which sets us apart – our commitment to entrepreneurship, ownership, and renewal. Our educational approach is designed not just to impart knowledge but also to inspire innovation and nurture the entrepreneurial spirit that is vital in today's global business environment.

We are honored to be recognized and triple-accredited by EQUIS, AACSB, and AMBA, reflecting our commitment to excellence in business education. We are proud to be ranked among the top 100 business schools in Europe, and the Financial Times ranking of our Masters in Management programmes in the top 100 globally is a testament to the quality and impact of our education. Most recently, JIBS was also included in the prestigious and highly respected QS Business Master's Rankings: Management 2026

As you begin this new chapter, I understand that you may be balancing both excitement and practical concerns – from getting your key card and navigating campus to figuring out local transportation or your class schedule. Rest assured, our community is here to support you. You will receive plenty of valuable information from our faculty and staff. But remember that your fellow students are often your best source of advice. They are not just peers but potential lifelong friends who will enrich your experience far beyond the classroom. If I could make one wish for you, it would be that you make at least one new friend during your time at JIBS.

Our world-class faculty is eager to meet you, share their expertise, and explore the challenges and opportunities of the business world together with you. At JIBS, you are not just a student but a valued member of a vibrant community, entrusted with carrying forward the legacy of innovation and leadership. We are genuinely grateful that you have chosen JIBS for your academic journey. It is a responsibility we do not take lightly, and we are fully committed to supporting you in achieving your dreams and ambitions.
